

Remarks

Reconsideration is requested in view of the preceding amendments and the following remarks. Claims 1-30 are in the application.

The allowance of claims 1-10 and 24-30 is acknowledged with gratitude.

Claims 11-23 were indicated as allowable if amended so that claim 11 recites "surface is configured to rotate" and claim 18 recites "an optical mount configured to rotate." Claims 11 and 18 are so amended, and are in condition for allowance. Claim 18 is also amended to correct a minor typographical error.

In view of the preceding, all claims are in condition for allowance, and allowance of all claims is respectfully requested. If any other issues remain, please do not hesitate to telephone to undersigned.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
